Advanced Roundtable on Managing and Resolving Shareholder Disputes

As an experienced business lawyer or commercial litigator, you've been privy to many shareholder disputes. You understand it takes a light touch and also a deep knowledge of the law to resolve them.

This live roundtable program is the perfect place to hone your skills. We've assigned a facilitator to each roundtable, so that you and your peers can engage in valuable discussions on how to handle sometimes tricky issues and varied points of view. Only a limited number of spaces are available! Sign up today for this live—and sure-to-be lively—program.

- How corporate lawyers can draft shareholder agreements to avoid and/or better manage shareholder disputes
- How litigators and corporate lawyers can work together to achieve better shareholder dispute resolution
- How different remedies can be used to best suit your case
