Commercial List Advocacy

If you handle commercial matters regularly, or appear on the Commercial List from time to time, this is one program you will not want to miss. Get top tips from Commercial List judges and seasoned practitioners about dos and don'ts at case conferences, pre-trial hearings and judge-led mediations. Walk away with a toolkit for your next commercial list hearing or trial (virtual, hybrid or in-person). Hear directly from the judges about what they want to see when you appear before them.
