Digital Evidence for Litigators

Technology keeps racing ahead, and our advocacy must keep pace. Back by popular demand, Digital Evidence for Litigators is your guide to effective advocacy in the digital era, from file inception to trial.

Hear tips from the Bench and top litigators on best practices for gathering digital evidence and getting it admitted at trial. Get up to speed on how to handle admissibility and ethical issues raised by new social media and instant messaging platforms. Watch our skilled faculty demonstrate how to present digital evidence effectively in hearings.
