Key Principles in Commercial Litigation

Are you new to the area of competition and securities litigation? Get off to a solid start by exploring practical concepts and approaches for litigating business and contractual disputes. Whether you're thinking of transitioning to a new area of practice, recently out of law school and looking for an area of focus, or simply expanding your skillset, our presenters build your understanding from the ground up and give you the foundation you need for success.

- Learn to navigate shareholder disputes
- Update your knowledge of the court's treatment of Directors' and Officers' liability
- Consider strategies for bankruptcy, receiverships, and other creditor remedies
