Spring Symposium 2025: The Rule of Law and Advocacy – A Time of Change, Renewal and Uncertain

The Advocates' Society and the American College of Trial Lawyers invite you to attend Spring Symposium 2025, the premier continuing professional development and networking event for civil litigators. This practical program features the latest developments, strategies, tools and tips for success in your practice. If you are a civil litigator, this is one program you can't afford to miss.
