The Twelve-Minute Civil Litigator 2024

As a civil litigator, your time is precious. That's why we designed this year's 12-Minute Civil Litigator program to be your go-to resource for key updates in civil litigation case law, legislation, procedure, and practice. Our experienced speakers cover an array of topical issues in a series of focused, to-the-point presentations.

- Learn how to guard against the dangers of AI, such as false evidence, deep fakes, and online harassment
- Receive updates on key issues such as costs and Pierringer releases
- Get tips from Superior Court judges on Case Center (formerly CaseLines) and efficient advocacy
