The Twelve-Minute Civil Litigator 2025

How can you stay ahead in the ever-changing world of civil litigation? Our speakers help you do just that as they offer their insight on recent cases, rules changes, and emerging trends. This program delivers the essential updates you need in a fast-paced, "straight to the point" format. Ideal for busy practitioners, it offers practical knowledge you can apply immediately in your practice.

- Get up to speed on the Civil Rules Review Working Group's proposed reforms, including the latest updates and potential changes ahead
- Hear practical insights on how Courts assess affidavit evidence and hearsay in written records
- Explore the evolving legal landscape of partial settlements through the lens of the *Handley Estate* case
